

KERNOWJET EVENTSHARK

Level up any event with dynamic short-term promotional visuals using KernowJet EventShark - our PVC free, easy to apply wall & floor graphic media. It's designed for user-friendly installation, even for non-professionals. KernowJet EventShark is ideally suited for short term graphics on walls and floors with easy removability. This is a major advantage for businesses and event organisers as it means you can adapt your messaging quickly and efficiently without worrying about cleanup costs or time-consuming removal processes. With a total thickness of 290µ/11mil and R10 slip rating certification, you can trust that you'll have a robust, anti-slip floor graphic for the duration of any event.

WHY CHOOSE US?

EventShark's special dot adhesive pattern allows even the most novice installer to apply vibrant, bubble-free graphics to any floor, wall or countertop! With EventShark, you get Kernow's proprietary sharkskin coating technology: the world's most durable no-lamination needed print surface with built in slip ratings... even after printing! With KernowJet EventShark, you can turn any space into an advertising and sponsorship opportunity.

FEATURES

- 100% PVC free
- R10 Slip rating
- Dot adhesive for easy, bubble free application & stress-free removal
- Unique sharkskin coating absorbs ink & dries tough
- No lamination required
- Ideal for short-term, temporary application
- Easily repositionable
- No professional installation needed simply load, print & deliver
- Universally compatible with UV, Solvent, and latex
- Perfect for both wall & floor applications
- Bfl-s1 and EN 13501 fire ratings
